BLUETOOTH FLUSH MOUNT ASTRO LED DIMMER

DESCRIPTION

Recessed LED dimmer with astro function. Using mi.puck products, you can easily control, regulate and automate numerous applications in your home through the free mi.puck app, using a cell phone or tablet. The mi.puck app is available for Apple and Android devices.

The recessed mi.puck switches and mi.puck dimmers are small built-in devices that can be easily installed in recessed boxes behind existing switches.

This allows you to continue to control your applications manually via switches as usual, as well as additionally control or program them via the app.
