## DESCRIPTION

Power CEE socket outlet surface-mounted 5-pole 125 amp. Waterproof IP67. The contacts are equipped with lamella springs: - Easy insertion and removal - Excellent clamping force - Reduction of electrical resistance - Self-cleaning in tough conditions

All products in the Power CEE range are VDE certified and thus comply with the European standard IEC 60309-1:2021, which guarantees a safe connection. For the permitted conductor cross-sections, please refer to the appendix Power CEE - Cable specifications. All products in the Power CEE series are lead-free and thus comply with the European RoHS Directive 2011/65/EU & 2015/863/EU.

SPECIFICATIONS

|                                  |                          |
|----------------------------------|--------------------------|
| Brand:                           | Power                    |
| Product type:                    | CEE wall outlet          |
| Model:                           | Construction             |
| IEC current:                     | 125 A                    |
| Number of poles:                 | 5                        |
| Voltage according to EN 60309-2: | 380-415 V (50+60 Hz) red |
| Hours:                           | 6 h                      |
| Feature color:                   | Red                      |
| Housing color:                   | Other                    |
| Degree of protection (IP):       | IP67                     |
| Connection technology:           | Screw Clamp              |
| Cable Entry:                     | Screw gland              |
| Material:                        | Plastic                  |
| Contact Equipment:               | CuZn                     |
| Surface treatment contacts:      | Galvanized               |
| Attachment method:               | Exterior mount           |
