DREAM SIRIUS PENDANT KIT 1,500MM BLACK

DESCRIPTION

The Dream Sirius is a real eye-catcher for any (business) space. The ceiling light has 30% uplight and 70% downlight, this gives a nice spatial effect. The fixture is available in 3 sizes, namely 400mm, 600mm and 800mm. And available in black and white. The switches on the back allow switching between three light colors: 3,000, 4,000 and 5,700K. The Dream Sirius can be attached to the ceiling (or wall) in multiple ways. The fixture can be attached directly to the ceiling but you can also use a 3-fold pendant kit where the length can be adjusted or use the fixed pendant rod for a super sleek look. These accessories match the fixture perfectly. This pendant kit has a maximum length of 1.5 meters but can be shortened if required. The set comes with a connecting cable with textile finish to complete the set. The fixture is equipped with our universal Dali driver, the IL-D53DALI2. This makes the Dream Sirius DALI2 dimmable, 0-10V dimmable and push-dimmable. - 30% uplight and 70% downlight - 3CCT (3,000, 4,000 and 5,700K) The size of the cover cap is $\varnothing 190$ mm.
