

PRODUCT DATASHEET | MAR13000DIMCO

MARAMA TABLE LAMP 2W 3,000K DIMMABLE 35CM IP54 CORTEN

DESCRIPTION

The Marama designer table lamp has an elegant, essential design made of aluminum. With this, the Marama fits perfectly into both modern and classic environments.

The Marama is available in two versions, a warm 3,000K or a dim-to-warm version 4,000K~1,800K. A touch on the top of the diffuser switches on/off and controls the light intensity. With the dim-to-warm version, you can use the same "touch" to select the desired temperature.

The Marama is cordless and can be charged via USB C. The battery lasts about 5 days in the lowest light mode.

SPECIFICATIONS

Brand:	Duralamp
Product type:	Table Lamp
Type of lighting fixture:	Desk Lamp
Mounting method:	Standard (foot)
Suitable for wall mounting:	No
Suitable for wall mounting:	No
Directable:	No
