

PRODUCT DATASHEET | IL-P595SK4B

SURFACE MOUNTED PANEL SET 600X600MM T.B.V. IL-P595 BLACK RAL9017

DESCRIPTION

Surface mount kit for led panels. The edge of the panel disappears into the edge of the surface mount kit, so only the led panel is visible. Easy to mount in the desired location, instructions for mounting can be found in the manual. Suitable for our Next, Next+, Dream+ and Orion series panels. Please note: The edge of the Next, Next+ and Dream+ panel does not completely fall into the surface-mounted edge, a white edge always remains visible.
