TERMINAL D11 W56 RECESSED 230V 50/60HZ TIME SWITCH IP20

DESCRIPTION

SPECIFICATIONS

Brand:	Paladin
Product type:	Terminal WDi1 AC230 (56)
Composition:	Basic element with complete housing
Model:	Electronic
Mounting method:	Recessed (stucco)
Attachment method:	Fastening with screw
Material:	Plastic
Material quality:	Thermoplast
Surface protection:	Lacquered
Implementation surface:	Glossy
Color:	White
RAL number (similar):	9010
Transparent:	No
Shortest switching distance:	1 min
Autonomy:	86400 h
Coincidence generator:	No
Nom. voltage :	230 V
Frequency:	50 - 60 Hz
Astro Program:	No
Input for auxiliary unit:	No
Nom. (measuring) current :	10 A
With connection for brightness sensor:	No
Max. power:	2000 W
Installation depth:	27.5 mm
Min. depth of recessed box:	40 mm
