

## **PRODUCT DATASHEET | PT SUP EL4**

TIME PUSH BUTTON OPB WHITE 3-DR 30S-12M 3000W 230V

## **DESCRIPTION**

3-wire surface mount stairwell switch for CFL lighting and LED lighting with a Power factor of  $> 0.9$ .

## SPECIFICATIONS

|                                             |                                                |
|---------------------------------------------|------------------------------------------------|
| <b>Brand:</b>                               | Dinuy                                          |
| <b>Product type:</b>                        | Opb time 30s-12m 230V white                    |
| <b>Mounting method:</b>                     | Construction                                   |
| <b>Function:</b>                            | Electronic                                     |
| <b>Installation depth:</b>                  | 35 mm                                          |
| <b>Control voltage 1:</b>                   | 230 - 250 V                                    |
| <b>Control voltage type 1:</b>              | AC                                             |
| <b>Frequency control voltage 1:</b>         | 50 - 55 Hz                                     |
| <b>Nom. (measuring) switching current :</b> | 16 A                                           |
| <b>Waste Delay:</b>                         | 0.5 - 12 min                                   |
| <b>Circuit type:</b>                        | 3-wire switching                               |
| <b>Pre-warning shutdown:</b>                | Other                                          |
| <b>Power surge function selectable:</b>     | No                                             |
| <b>Repetitive circuit:</b>                  | Repetitive + continuous light + time extension |
| <b>Supply voltage:</b>                      | 230 - 250 V                                    |
| <b>Power supply voltage type:</b>           | AC                                             |
| <b>Max. bulb load:</b>                      | 3000 W                                         |
