

**PRODUCT DATASHEET | 922000**  
TWILIGHT SWITCH 230V 50-60HZ

**DESCRIPTION**

## SPECIFICATIONS

|                                             |                       |
|---------------------------------------------|-----------------------|
| <b>Brand:</b>                               | Paladin               |
| <b>Product type:</b>                        | 3-300 LUX             |
| <b>Sensor version:</b>                      | Light sensor built-in |
| <b>Contacts:</b>                            | Other                 |
| <b>Switch-on brightness:</b>                | 3 - 300 lx            |
| <b>Turn-on delay:</b>                       | 60 s                  |
| <b>Max. switching power:</b>                | 3000 W                |
| <b>C-Tax:</b>                               | No                    |
| <b>With automatic night shutdown:</b>       | No                    |
| <b>Mounting method:</b>                     | Construction          |
| <b>Material:</b>                            | Plastic               |
| <b>Material quality:</b>                    | Thermoplast           |
| <b>Halogen-free:</b>                        | Yes                   |
| <b>Implementation surface:</b>              | Mat                   |
| <b>Color:</b>                               | White                 |
| <b>Nom. voltage :</b>                       | 230 V                 |
| <b>Max. switching current (ohmic load):</b> | 16 A                  |
| <b>Operating temperature:</b>               | -50 - 50 °C           |
| <b>Suitable for protection degree (IP):</b> | IP54                  |
